

Due to the likelihood of a required two-day closure under current Court System guidelines in the event of a positive Covid-19 report on the premises the Registry of Deeds will continue to prohibit full public entry into the building until said guidance is changed.

E-FILE and MAIL-IN RECORDING are the primary options for getting a document on record. (See below for details)

A DROP-BOX option will be available as of August 3, 2020. The DROP-BOX will be in the Deeds and Probate lobby. The Drop-Box will be checked periodically during the day and any recordings will be treated like regular mail. (See below for details)

For RESEARCH/COPIES/PLANS visit our website www.barnstabledeeds.org
